

Our Values

CURIOSITY

- We challenge ourselves and welcome new ideas and initiatives from our members, local groups or others.
- We want to understand our society and our impact on the world, as an organisation and as individuals.
- We know that we always have more to learn.

EQUALITY

- We believe that everyone should be entitled to a safe life and an opportunity to reach their full potential.
- We believe in people's intention to develop and to do right.

INCLUSIVITY

- We are strengthened by our differences.
- We achieve excellent results through collaboration based on local initiatives.

SUSTAINABILITY

- Our work is long-term and sustainable.
- We view our knowledge and experience as our most valuable resource, which we are happy to share.
- We acknowledge our mistakes, correct them and learn from them.
